3. Precor FTS Glide

Qty: 1

Specs

- Width 53.1 in (134.9 cm)
- Depth 48.3 in (122.7 cm)
- Height 85 in (215.9 cm)
- Weight 472 lbs (214.1 kg)
- Weight Stack 2 x 200 lbs (90.7 kg) stacks

① Delivering core fitness with a compact footprint.

② User-friendly pulley adjustments refine exercise.

③ Simplified for ease of use

Delivering core fitness with a compact footprint. ①

The FTS Glide can help beginners and experts alike perform literally hundreds of strength-training exercises while taking up minimal space. Whether performing a traditional bench press or an advanced compound exercise, the FTS Glide helps users keep pace with their healthy, active lifestyles.

Dual weight stacks offer workout variety.

Rather than working on just one or two planes of the body, the dual weight stack allows users to engage more than one muscle and often more than one joint for true isolateral resistance training with user-defined motion paths.

User-friendly pulley adjustments refine exercise. ②

Pulleys can be adjusted with one hand for quick transitions from one exercise to the next. Choose from 33 pulley positions to offer workout variety and ensure personal comfort for each core exercise.

Simplified for ease of use ③

An instructional placard with illustrations guides users through effective exercise positions. Fully-shrouded weight stacks protect moving parts.

Warranty: Ten Years Frame; three years bearings, guide rods, cams, pulley; one year belts, cables, handgrips, miscellaneous parts; 90 days upholstery

4. Precor Functional Trainer Accessory Kit Qty: 1

Specs:

(1) Lat Pulldown Bar, Low Row Bar, and Ankle/Foot Strap

5. Precor Icarian 610 Power Cage Qty: 1

Specs

Length 62 in. (157.48 cm)

Width 49 in. (124.46 cm)

Height 91.19 in. (231.62 cm)

Unit Weight 360 lbs. (163.29 kg)

Warranty: Ten Years Frame; three years bearings, guide rods, cams, pulley; one year belts, cables, handgrips, miscellaneous parts; 90 days upholstery

6. Precor Icarian 116 Mutli-Purpose Bench Qty: 1

Specs

Length 45.63 in. (115.89 cm)

Width 30 in. (76.2 cm)

Height 32.13 in. (81.6 cm)

Unit Weight 65 lbs. (30.48 kg)

Warranty: Ten Years Frame; three years bearings, guide rods, cams, pulley; one year belts, cables, handgrips, miscellaneous parts; 90 days upholstery

7. Precor Icarian 119, 0 to 90 Superbench Qty: 2

Specs

Length 54.3 in. (139.92 cm)

Width 25.8 in. (65.53 cm)

Height 39 in. (99.06 cm)

Unit Weight 80.5 lbs. (36.6 kg)

Features Include: Wheels and handle for easy placement. Adjusts from a flat to 90 degrees and offers separate seat and back adjustments for custom comfort

Warranty: Ten Years Frame; three years bearings, guide rods, cams, pulley; one year belts, cables, handgrips, miscellaneous parts; 90 days upholstery

8. Precor Icarian 601 Angled Leg Press

Qty: 1

Specs

Length 86.19 in. (218.92 cm)
Width 63.25 in. (160.66 cm)
Height 53.06 in. (134.78 cm)
Unit Weight 585 lbs. (265.35 kg)

Features: The durable linear-bearing mechanism creates smooth travel for the footplate sled. The adjustable seat back lets users set their most comfortable body position. Convenient handle on sled makes getting in and out of position very easy. An optional add-on weight holder is available (not shown) for additional load capacity. Available with angled (601) and flat (601B) foot plate. Plate storage is standard.

Warranty: Ten Years Frame; three years bearings, guide rods, cams, pulley; one year belts, cables, handgrips, miscellaneous parts; 90 days upholstery

9. Precor Icarian 802 Smith Machine

Qty: 1

Specs

Length 86.88 in. (220.66 cm)
Width 55.88 in. (141.92 cm)
Height 86.13 in. (218.76 cm)
Unit Weight 635 lbs. (289 kg)

Features: The bar is counter-balanced for a starting weight under 15 pounds. This is an ideal way for users of all strength levels to perform a wide range of upper and lower body exercises. There are no crossbar support members at floor level permitting benches to be conveniently rolled into the unit from either direction. Features spring-loaded adjustable bar catches and plate storage pins.

Warranty: Ten Years Frame; three years bearings, guide rods, cams, pulley; one year belts, cables, handgrips, miscellaneous parts; 90 days upholstery

10. Precor Icarian 332 Row

Qty: 1

Specs

Length 68 in (175 cm)

Width 68 in (175 cm)
Height 53 in (135 cm)
Unit Weight 775 lbs. (343 kg)
Weight StackHeavy - 125 lbs (57 kg)

Features: User defined path allows multiple angles and independent movement. The dual weight stack increments are small allowing users of all fitness levels to use the machine. Custom made strap handles have several attachment positions and comfortable handles for stable secure hold. The long seat and large footplate accommodate a wide range of user heights. The unit profile is small and aesthetically pleasing. Like all the FT units, the footprint approximates the actual working space for the exercise performed. The back of the unit is virtually flush for space efficiency. The dual weight stack frames are angled slightly so that multiple units can nest in a relatively small space. While designed primarily as a back movement, creative users and trainers will also discover that many other exercises can be performed (such as biceps curl, triceps extension etc.), providing dual-purpose value for facilities that have limited space.

Warranty: Ten Years Frame; three years bearings, guide rods, cams, pulley; one year belts, cables, handgrips, miscellaneous parts; 90 days upholstery

11. Precor 304 Pulldown

Qty: 1

Specs

Length 72.15 in. (183.26 cm)
Width 42.53 in. (108.03 cm)
Height 92.16 in. (234.09 cm)
Unit Weight 611.67 lbs. (277.45 kg)
Weight StackHeavy - 300 lbs. (136 kg)

Features: Pulley is located so that the movement may be performed in front of or behind the head comfortably. Thigh pad adjustment will accommodate a wide variety of users. Handles can be interchanged.

Warranty: Ten Years Frame; three years bearings, guide rods, cams, pulley; one year belts, cables, handgrips, miscellaneous parts; 90 days upholstery
